● Greenbelted ● Gated Community ● Top-Tier Schools ● Secluded ●

We are completing some of the final builds in this exclusive housing community. The dense wooded surroundings and gated entry promise a peaceful oasis for any prospective homebuyer. This location is great for multi-story family homes with expansive yards or sprawling single-story downsizers. Virtually all of these lots back to green space, with a select few residing near beautiful Whipple Creek. This location puts park trails, WSU trails and I-5 within reach while PDX is just minutes away.
